Dear Everyone,

It was lovely to see so many people at last week's services. We enjoyed Forest Church in the sunshine at Bulphan when we celebrated Lammas. Lammas is the festival of thanksgiving to God for the start of the harvest, where corn and bread are offered as symbols of gratitude. It is a festival that goes back to the medieval church and occurs on the 1<sup>st</sup> August. The first fruits of the cereal harvest were made into a loaf for the mass. The summer could be a lean time for food as winter stores had run out and the new crops were still growing. It is an older tradition than harvest festivals, which celebrate the time when 'all the harvest is safely gathered in.'

At Forest Church, to mark Lammas, we tried different breads and tried to recognise which grains they were made from and we made pop corn in a pan and enjoyed eating it.

On Sunday we enjoyed a lively All Together Holy Communion Service at Horndon.

Thank you to Jackie Wood who has responded to our recent request to assist Marilyn Wordley in delivering the notices in Orsett. And thank you to all those who faithfully deliver the weekly notices. I know that your commitment to doing this is greatly appreciated by the recipients.

Don't forget we have our Parish Summer Fete on Saturday 17th September at Orsett School. If you are able to help in any way, please do let Sandra Billinger know and if you have any tombola prizes or bric-a-brac, Christine Mortimer and Sandra Billinger are collecting these.

I look forward to seeing you soon.

Take care and God bless,

Sue

Knowing and sharing the love of Jesus in the Church and community

### Would you like to find out more about Christianity or refresh yourself?

If so please come and join us on an Alpha Course.

Alpha is a series of weekly sessions where you can explore the Christian faith in an open-minded and welcoming environment.

There's no cost, and no pressure. Just lots of great conversation and space to think.

Each session includes a short talk and time of discussion where you can share your thoughts about what you've heard.

Whatever questions you've got, you can ask them at Alpha.

We are running an eleven week Alpha Course at the Woolmarket in Horndon on the Hill at 7.15pm on Thursday evenings starting on 8th September.

It would be helpful if you could let Sue know if you are interested in attending or sign the sheet at the back of the church.

## **The Revd Canon Mike Power appointed as the new Archdeacon of Southend**

The Revd Canon Mike Power has been appointed as the new Archdeacon of Southend following interviews in May. Mike has held the responsibilities of archdeacon since the Venerable Mike Lodge, retired from full time ministry in Autumn 2021.

Commenting on his appointment, Mike Power said: "I am delighted to have the opportunity to be able to serve the parishes and worshipping communities of the Southend Archdeaconry in this role.

These have been challenging times for our churches and those who we serve. But as I have got to know and ministered alongside church leaders and their congregations in recent months, I've seen the incredible work they do in service to God and to their local communities. It is with a great sense of hope, that I look forward to supporting and serving them as their Archdeacon.

The Bishop of Chelmsford, the Rt Revd Dr Guli Francis-Dehqani said: "I'm delighted that Mike has accepted the role. He has a great affection for the churches and people of the Southend Archdeaconry and will bring tremendous energy and skill as he serves and ministers alongside them. Mike's experience in local parish ministry will also be of great value to the Bishop's Leadership Team and our wider diocesan family."

The Southend Archdeaconry is one of two archdeaconries in the Bradwell Episcopal Area. Commenting on the appointment, the Bishop of Bradwell, the Rt Revd Dr John Perumbalath said: "Mike's appointment is good news for the parishes of the Southend Archdeaconry. During his time as Bradwell Mission and Stewardship Advisor and more recently during the period in which he has held the responsibilities of archdeacon, Mike has built excellent relationships with people across the Archdeaconry and has been a great supporter and servant of those who serve in our parish churches. He will now be able to build on these relationships in his new role as Archdeacon of Southend.

"Please join me in praying for him as he begins this next chapter in his ministry."

Cutting back on the amount of hot water we use can also reduce our carbon footprint as it's responsible for an average of 875kg of CO<sub>2</sub> per household a year. Easy changes you can make include having quicker showers, washing clothes at 30C, and only using your washing machine and dishwasher at full capacity.
