Post Communion - God of our pilgrimage, you have willed that the gate of mercy should stand open for those who trust in you: look upon us with your favour that we who follow the path of your will may never wander from the way of life; through Jesus Christ our Lord.

Dear Everyone,

I hope you have been enjoying the warmer weather over the past couple of days.

Despite the rain, we had a lovely Forest Church last weekend when we made bird feeders using cored apples and pumpkin and sunflower seeds. The next Forest Church is on 2nd September in Orsett show but it will be back on Saturday 1st October at Horndon. More details to follow.....

On Saturday evening, at Orsett Church at 7pm, I will sharing some photos and reflections on my experience of walking the Camino. All are welcome. More details are available on page 2 of the notices.

As you are all aware, it costs a huge amount of money to keep our churches going and part of our Christian stewardship requires us to give generously. Thank you to those of you who give regularly to support the work of the church; your generosity is greatly appreciated. As you will be aware, our Sunday church collections have, for many years, been received in cash but we now live in a society where carrying cash and cheque books are becoming a thing of the past for many people. We are currently researching possibilities for contactless giving in church and we have also created a QR code which, from this Sunday onwards, will be available in the pews to enable you, should you wish, at the time the collection is taken, to give using your mobile phones along with your bank details. No app is needed to download the QR code, just a mobile phone with a camera. It is also available on page 2 of this notice sheet. We will, of course, continue to have a cash collection at services and the Parish Giving Scheme is available for anyone who wishes to give regularly. We will keep you updated regarding contactless. Thank you for your ongoing support.

Please do remember those on our prayer list; there are many people in our Parish at the moment in need. And please continue to let me know of any other prayer and pastoral needs.

I look forward to seeing you soon.

Take care and God bless,

Sue

Eco Pause for Thought

Avoid cutting your grass. Keeping grass long will help retain moisture, provide a source of shelter for insects and mammals and keep the topsoil from blowing away.
