Dear Everyone,

It has been another busy week.

On Friday the Macmillan Coffee Morning was held at the Churches Centre in Orsett. Nearly £400 was raised for Macmillan. Later that day the bat evening was held at St Giles and All Saints Church, where fun activities on the theme of bats were provided, hot dogs were eaten, a talk about bats was given and we then went out into the churchyard with bat detectors. A great evening was had by all.

During the past week we have hosted lovely harvest services for all three schools when we also received generous donations for the Thurrock Foodbank. On Sunday we baptised Louis Walsham Hardingham and celebrated Harvest at our 10am service which was followed by refreshments. The church and churchyard looked lovely and the food and entertainment great.

And this Saturday is the book sale at Horndon Church when bacon butties will also be available. Please do support this if you are able.

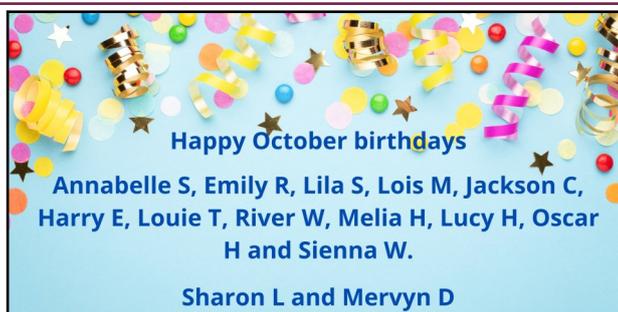

None of these events would happen without the hard work of the volunteers or the generosity of people and I would like to thank everyone who has worked to enable the success of these ventures. Your commitment is greatly appreciated.

On a sad note, I have to inform you that Jean Twyford died peacefully on 25th September. Jean was brave to the end. May she rest in peace and rise in glory. Please do pray for Jean's family at this time. Her funeral will be at Horndon Church on Monday 16th October at 10.30am.

Please do let me know of any other prayer or pastoral needs.

Take care and God bless.

Sue

### Eco Pause for Thought

#### Water usage

Rainwater: Capturing water in water butts is an easy way to provide water for plants or perhaps to flush toilets too. For both human and plant health, it's important to keep the butts, and gutters that feed them, clean. Water butts are easy to fit to modern plastic downpipes.
