Today's Collect - Almighty God, give us reverence for all creation and respect for every person, that we may mirror your likeness in Jesus Christ our Lord.

Post Communion - God our creator, by your gift the tree of life was set at the heart of the earthly paradise, and the bread of life at the heart of your Church: may we who have been nourished at your table on earth be transformed by the glory of the Saviour's cross and enjoy the delights of eternity; through Jesus Christ our Lord.

Dear Everyone,

Last week we celebrated Candlemas and the presentation of Jesus in the temple. Simeon and Anna had been waiting for this moment and Simeon blessed Jesus. Both Simeon and Anna were mature in age and they were used powerfully by God, particularly in the ministry of prayer.

People often say to me, as they get older, that they can't do anything anymore and I always stress the importance of prayer. Prayer is the foundation of everything we do, as Christians, and as a church. If you are unable to get out and about any more, please do pray; your prayer ministry is deeply valued. Of course, that doesn't excuse those of us who are able to get out. We all need to pray, to talk to God.

We have a prayer group which meets once a month, for an hour on a Tuesday evening, at the Woolmarket in Horndon. Everyone is welcome to come along. The next one will be on Tuesday 20th February at 8pm.

On Saturday afternoon, the PCC, the Church Council will be going to Mulberry House in Brentwood, for the afternoon and whilst we are there we will be praying for all of you. Please do also pray for us as we consider the best way forward for the Church.

Because we will be at Mulberry House on Saturday afternoon, there will be no Forest Church this Saturday but Forest Church will resume in March.

Lent will be beginning soon with an Ash Wednesday Service on Wednesday 14th February at 7.30pm at Horndon Church .

I look forward to seeing you soon.

Please do continue to let me know about any prayer or pastoral needs.

Take care and God bless,

Sue

Eco Pause for Thought - DITCH THE CLING WRAP

Unlike cling film that cannot be recycled, consider alternatives such as aluminium foil which can be recycled. If you are using foil, make sure you clean it and put it in the recycling bin after use. Another alternative is Beeswax Wraps. Made using 100% cotton, pine resin, jojoba oil and various waxes they are a reusable and sustainable alternative to cling film, and no nasties will leach into your food while it's stored. Other alternatives include reusable lunchboxes, or elasticated fabric bowl covers which are useful for storing bowls of food in the fridge.
